

Faithful Navigator Message

Sir Knights,

With the holiday season starting we should all keep in mind that we are very blessed. We have food, a place to live and family. This is not the case for some of our less fortunate. Please remember our 1st lesson in the Knights of Columbus "Charity". Charity is not only money, but kindness. If you see someone that needs a hand offer it. Remember it will only cost you some time.

Christmas is not just a holiday for giving presents, it is the birthday of our LORD Jesus. We give presents and/or call members of our family when it is their birthday, Jesus asks us to help his people, so let's try to do this. Also, don't you think going to church a couple of minutes earlier and just praying and thanking Jesus for all he has done for us wouldn't be a lot to ask especially during of advent season.

I heard this story a few years ago at a Mass at OLOL in Hendersonville and would like to convey it to you (please note it is not an exact quote) " A women that was dying of Cancer, was praying to GOD saying why GOD can't you send someone to find a cure for cancer, you sent people to cure all other deadly diseases, why not this. GOD answered her prayer but it was not what she wanted to here. God said, I have tried to send someone three times but every time I do you abort the baby" That really hit me, so please lets pray that this abomination is stopped at least in our country this year.

Merry Christmas, Happy New Year

Joe Wall, PGK, PFN, FDD
